NOTICE

EFFECTIVE JANUARY 4, 2010:

As a result of staff reduction and cutbacks due to the ongoing budget crisis, the Probate/Mental Health Unit will no longer be able to provide an attorney window at the filing counter. Therefore, attorneys will be required to wait in the line along with all other filers. Documents that you are able to drop off are orders / letters and if there is an existing case number, ex partes only. All other documents require you to file at a filing window.

This decision by the Court also necessitates a change in the amount of filings per time at the filing counter window for the attorney services. Filings for attorney services will no longer be limited based on time. Attorneys and attorney services will be allowed to file up to three (3) filings only per instance at a filing window.

We appreciate your patience with this change and apologize for any inconvenience this may cause.
