RIVERSIDE SUPERIOR COURTS TO ELIMINATE CROSS-COURT FILING

Effective July 1, 2009, the Riverside County Superior Court's cross-court filing program will be eliminated. What does this mean? We will no longer have the option to file documents in the main central court for the outlining branch courts. Documents must be filed at the courthouse where the case is pending. How does this affect you? Plan ahead. Most of the branch courts in Riverside are out of reach for same day drive outs if picked up on the regular route. If you have a SAME DAY RUSH for a branch court, the best options are to email to Janney & Janney or call for a special pick up.

This does not apply to Notice of Appeal Filings - All Notices of Appeal must be filed at the Appeals Division in downtown Riverside at the Hall of Justice, located at 4100 Main Street.
