FOR IMMEDIATE RELEASE

New Hours Effective June 1, 2009

Effective June 1, 2009, the Superior Court of Sacramento County will be adjusting its public business hours to 8:30-4:00 p.m. daily. This will impact all public service counters and public phone numbers.

Courthouses will remain open until 5:00 p.m. Public counters will close at 4:00 p.m. with limited exceptions to support courtroom activities. Additional information is available at all public counters and at [saccourt.ca.gov](http://saccourt.ca.gov).

This step is being taken to best balance the need for public access with the reduction in our workforce following the decline in state financial support for the court. This change will be in effect indefinitely. We look forward to that time when we will be in a position to restore and expand services.
